

## **Ocean Light II Adventures Covid-19 Plan for 2021**

**Ocean Light II Adventures will release a current COVID-19 safety plan once travel restrictions and First Nations territorial closures have been lifted and we can determine when and where trips will resume for the 2021 season. The plan and protocols will reflect the most recent vaccination, testing and screening policies available and will also be developed to suit our new vessel "AFTERGLOW". Stay tuned!**
